Fiscal Year 2016 Mid-Year and Fiscal Year 2017 Proposed Budget Priorities

The Vision for the Future

Councilmembers Alvarez, Emerald, and I released our proposed budget priorities which focuses on the needs of underserved neighborhoods South of Interstate 8. Public safety and infrastructure improvements are at the top of our lists and we want equity and will continue to fight for the people we were elected to serve.

Funding for infrastructure improvements is needed to meet pedestrian and public safety needs in Council District 4. Southeastern San Diego neighborhoods are in dire need of sidewalks around the neighborhoods. Increased street lighting is an important tool to combat crime and improve safety for traffic and pedestrians. We are fighting for community park projects to improve neighborhoods that have historically been underserved. It is essential to invest into our low-income urban neighborhoods because it will not only improve residents' living conditions but will also create jobs and promote economic growth.

Public safety remains to be my top priority. The City must continue to prioritize recruitment and retention of police officers. I am fighting for a permanent Skyline Hills Fire Station and a permanent facility for the Encanto Fast Response Squad because it is absolutely necessary to improve emergency response times in District 4. I am also fighting to expand our homeless outreach program to address homelessness in several locations outside of the downtown area, specifically in our neighborhood canyons and parks.

I have worked tirelessly to improve District 4 and I look forward to collaborating with the Mayor and my City Council colleagues this year to make the vision of a better San Diego a reality for us all.
